Notice of Proposed Property Tax Increase

1. The City of Cochran Mayor and City Council announces its intention to adopt a 2026 millage rate of 10.727, which is the same millage rate the city adopted last year. Without this tentative tax increase of 0.414, the millage rate would be no more than 10.313 mills.

   The proposed tax increase, without a rollback, for a homestead property in the city with a fair market value of $150,000 is approximately $24.84 per year; the proposed tax increase, without a rollback, for a non-homestead property in the city with a fair market value of $300,000 is $49.68.
