Tips to keep your water bill down

INDOOR

What you can do?

Turn off water while brushing your teeth
Shorten showers by 1 or 2 minutes
Repairing leaky faucets or broken toilets
Wash a full load of clothing

How much you can save:

3 Gallons per day
5 Gallons per day
20 Gallons per day
15-20 Gallons per day

OUTDOOR

What you can do?

Water your yard only before 8AM
Install smart sprinkler controller
Use broom instead of a hose to clean driveways and sidewalks
Check your sprinkler system for leaks, overspray, & broken sprinkler heads

How much you can save:

25 Gallons per day
40 Gallons per day
150 Gallons per day
500 Gallons per day

AUTOMATIC BANK DRAFT

Sign up for Automatic Direct Withdrawal with us!

The Automatic Bank Draft will be deducted from Checking/Saving Accounts on the **10th of each month**. This agreement will remain in effect until cancelled by you signing the Termination of Draft Agreement in at least 15 days in advance of the next due date. The authorization must include a void check copy, not a deposit slip.

If the Automatic Direct Withdrawal is returned because of insufficient funds, the City of Cochran will assess a fee of **\$40.00**.

If you have an Automatic Bank Draft account setup already with the City and you would like to change it to another Utility account, please confirm the old account and sign Termination of Draft Agreement.

Note: Allow **15** days to stop the draft from the original account.
