

PERMITTING SERVICES

The City of Cochran is now the provider of all aspects of permitting, including plan review and inspections, for all projects located within City limits effective March 1ST, 2025. All permitting applications can now be submitted directly to the City's for the following projects:

- ❖ Residential Building Permits
- ❖ Residential Trade Permits
- ❖ Development Permits
- ❖ Commercial Building Permits
- ❖ Commercial Trade Permits

Permit applications, and all supporting documentation, will be submitted at City Hall located at 112 W Dykes St in downtown Cochran. Construction drawings may be submitted digitally via email to Lisa Eisele at leisele@cityofcochran.com.

Once a permit is issued, inspections may be scheduled by sending an email to leisele@cityofcochran.com with the following information:

- ❖ Project Address
- ❖ Type of Inspection Requested
- ❖ Any special requests for time of inspection or information for providing access to inspector (lock box, hidden key, etc)
- ❖ Permit Number
- ❖ Contact Information

Inspections requested missing any of the above information may not be scheduled. **Please note that all permits issued by Bleckley County will still have inspections performed by County staff.**
