Request for Written Quotes

Landscaping maintenance at City buildings

The City of Cochran is requesting sealed written quotes from landscaping companies to perform landscaping services at the following four (4) City buildings:

Municipal Building- 102 N. Second Street

Cochran Community Center- 192 Third Street

Peyton Williams Building- 142 Thompson Street

City Hall- 112 West Dykes Street

The landscaping around each building must be thoroughly weeded, including against exterior walls under building soffits. The landscaping around each building must be properly trimmed and pine straw must be neatly placed around all plantings. Proper trimming means that the top of plants will be evenly cut and shaped. At City Hall, new boxwood plants must be provided and appropriately installed all around City Hall in the available soil areas.

Boxwoods will preferably be spaced at 24 inches apart

This is a one-time maintenance job designed to improve the landscaping at City facilities.

Interested bidders should offer a total cost for performing this project and submit sealed proposals no later than Wednesday, September 2, 2020 at 2:00 p.m. to the following address:

Cochran City Hall
122 West Dykes Street
Cochran, Ga. 31014

Sealed bids either be mailed, hand delivered to the front of City Hall, or placed in the exterior drop box in front of City Hall. Questions about this project can be addressed to Willie Farrow, Public Works Director, at 478-230-6840. The City of Cochran reserves the right to reject any and all bids and waive technicalities.
