

SCARECROW INVASION 2021

Fall is in the air, and you are invited to help celebrate the season by decorating a lamp post with all the sentiments of Fall! Your creation will be on display to greet drivers and pedestrians in our downtown area from Monday, October 18, 2021, until Tuesday, November 30, 2021. Just follow these simple rules and guidelines, and let your creative juices start flowing!

- You must place your decoration on your assigned lamp post. Lamp posts are numbered at the bottom. Pick a location. Businesses have first choice of lamp posts in front of their business.
- Signs are welcome but must be securely attached to the display and no larger than 18" X 24". Do not use tape on lamp posts.
- We recommend using wire or zip ties and/or hay bales to secure your scarecrow. If you use hay bales, we ask that you limit it to two hay bales unless in front of or on an empty lot.
- NO LIVE PLANTS unless you assume the care and watering of the plants. Dead plants will be removed.
- ABSOLUTELY NO POLITICAL SIGNAGE is allowed on or around a scarecrow/display.
- Display may not impede the flow of sidewalk traffic or be on the street.
- Check your scarecrow/display periodically to ensure it has not fallen or been damaged.
- Scarecrow placement needs to be completed by Monday, October 18, 2021.
- Scarecrows/displays must be completely removed by Tuesday, November 30, 2021.
- After the application has been received, a lamp post will be assigned.
